Sue!

My continuing goals as President include:

- Strengthen the grassroots efforts in Regions and Chapters
- Continue and increase legislative and compliance activities
- Provide the best training opportunities possible to our members and potential members
- Recognize and build upon the strength that diversity brings to FEW
- Renew focus on strategic planning for long-term viability
- Provide continued and improved opportunities for networking for our members and potential members with individuals from across the U.S.

With a focus on. . .

- Strategic Planning – Vision & Focus
- Mentoring – training & developing leaders at all levels
- Solutions – implement best practices

Together,
we will
truly
make a
difference
